## QUADRATO Shower Range Quadrato Safe Touch Adjustable Thermostatic Rigid Riser Bar Shower Chrome

### Features:

- Transform your shower experience with the striking Quadrato Bar Mixer in polished chrome, featuring bold contemporary design and comprehensive safety features. Safe Touch technology prevents accidental burns while automatic shut-off protection ensures reliable performance.
- Enjoy peace of mind with a 38°C safety stop, including override when required
- Supplied with everything you need, including bar shower valve, hose, telescopic rigid riser rail and rub-clean anti-limescale drench head and multi function handset
- Shower safely with automatic shut-off protection if hot or cold water supply fails
- Built to last, backed by a lifetime parts and 1-year labour guarantee

### Product Certifications:

WRAS Certificate No: 240903006  
WRAS Expiry Date: 30/09/2029

### Specification

|                                          |                                              |
|------------------------------------------|----------------------------------------------|
| Finish/Colour:                           | Chrome Plated                                |
| Main Construction Material:              | Brass; Stainless Steel; ABS                  |
| No of Controls:                          | 2                                            |
| Shower Type:                             | Bar Shower                                   |
| Shower Head Type:                        | Fixed Head and Multi-Function Handset        |
| Shower Kit:                              | Telescopic Riser with Fixed Head and Handset |
| Valve/Cartridge Type:                    | Thermostatic Cartridge                       |
| Maximum Hot Water Supply Temperature °C: | 60                                           |
| Plumbing System Suitability:             | Suitable for high pressure plumbing systems  |
| Minimum Dynamic Pressure (bar):          | 1                                            |
| Maximum Dynamic Pressure (bar):          | 5                                            |
| Maximum Static Pressure (bar):           | 10                                           |
| Connection Inlet:                        | 15mm Compression                             |
| Connection Outlet:                       | G1/2"                                        |
| Isolation Valve Included:                | Yes                                          |
| Check Valve Included:                    | Yes                                          |

### Dimensions (measurements in mm)

### Flow Rates (l/min)

| System Pressure (bar)      | 1   | 2   | 3   | 4   | 5   |
|----------------------------|-----|-----|-----|-----|-----|
| Through Handset (mixed)    | 4.3 | 6.3 | 7.6 | 8.3 | 8.3 |
| Through Fixed Head (mixed) | 6.1 | 8.6 | 9.8 | 9.9 | 9.4 |
